Season info panel remains anchored even when player scrolls through Tiers

Season info panel background can be a banner image to promote the season theme or final reward

Scroll bar for viewing off-screen Tiers (Note: The scroll bar is primarily intended to be a visual indicator that scrolling is enabled. Tapping/clicking and dragging anywhere on this screen should allow the player to scroll.)

XP progress bar shows player progress through the Tiers (No progress)

Lock shows that rewards cannot be claimed until Premium Pass is purchased

You can choose to award the big final reward in either the Free or Premium pass (or create two unique rewards!)

Tapping on the final reward image opens an info popup so players can learn more
