

Roblox Developer Challenge 2024  
Terms and Conditions

Thank you for being a part of Roblox! As we often say, Roblox is the Imagination Platform, the ultimate virtual universe where imagination rules. Key to that is your imagination and your participation. So, we are excited that you are taking part in the Roblox Developer Challenge 2024 Contest (“**Contest**”), which asks qualifying Roblox users (each an "**Entrant**") to create an experience using Roblox Studio (each an "**Entry**").

- 1) Acceptance of Terms. Below are the terms and conditions that govern your participation in the Contest (“**Contest Terms**”). These Contest Terms are supplemental to the [Roblox Terms of Use](#) (“**General Terms**”) which govern your use of the Roblox websites or any Roblox products, software, applications, content, data feeds, and services (“**Roblox Services**”) and the [Roblox Privacy and Cookie Policy](#) (“**Privacy Policy**”), which governs how we process your personal data in the context of your relationship to Roblox. The General Terms are incorporated herein by reference. If you do not agree to the General Terms, the Contest Terms and the Privacy Policy, you may not participate in the Contest.
  
- 2) General Conditions. The Contest is open to Roblox registered users who are 13 years of age or older as of the Entry. Roblox employees, their immediate family members and persons living in the same household are not eligible. The Contest is void where prohibited or limited by law or where registration, bonding or localization is required. No purchase or payment is necessary to enter the Contest, and a purchase or payment will not increase the chances of winning. Chance of winning depends on the skill of each Entrant and the number of Entrants. If an Entrant is under the age of majority in his/her state or country of residence, the Entrant may only enter the Contest and is only eligible to win with the consent of the Entrant’s parent or legal guardian. In such a case, you represent, warrant and covenant that both you and your parent or legal guardian have read these Contest Terms and agree to be bound thereby. You further acknowledge and agree that by entering the Contest you are accepting a benefit that you cannot return or disgorge and that we are relying on your representations regarding your ability to accept and perform these Contest Terms, and you therefore waive any right you may have under applicable law to void, rescind, or otherwise avoid these Contest Terms. We reserve the right to confirm parental consent at any time by any manner, including by having the Entrant’s parent or legal guardian sign a parental consent form. If you are a parent or guardian consenting to these Contest Terms on behalf of a child between the ages of 13 and 18, you additionally agree to guarantee and be fully responsible for that person’s performance hereunder, including all financial obligations or liability he or she may incur, and all disclaimers and waivers of applicable legal protections provided herein, and you agree to take all actions (including executing such additional documents or agreements) necessary to effect and perfect the foregoing. In such cases, prizes will be awarded in the name of the Winner’s (as defined below) parent or legal guardian. Any reference to an Entrant herein shall be deemed to include his/her parent or legal guardian, as applicable. In all other cases, you represent that you are 18 years or older and at least the age of majority in your jurisdiction of residence and fully competent to enter, and you hereby agree and acknowledge that you have read, understood, and agree to be bound by these Official Rules without modification.
